Career Objective

Motivated and passionate B.Tech student specializing in Artificial Intelligence and Data Science, with a strong foundation in computer engineering. Seeking to apply technical knowledge, problem-solving, and analytical skills to contribute to Uber’s AI Training program while gaining real-world experience in AI model development and data-driven innovation.

Educational Qualification

Course	Institution	Board / University	Year	Status
B.Tech – Artificial Intelligence and Data Science	Annamacharya institute of technology and sciences, Tirupati.	JNTU, Ananthapuramu.	2024 – Present	Pursuing (3rd Year)
Diploma in Computer Engineering	Government Polytechnic, Pillaripattu	State Board of Technical Education.AP	2021 – 2024	Completed

Technical Skills

Programming Languages: Python, Java, C

AI & Data Science Tools: NumPy, pandas, Scikit-learn, Matplotlib, NLTK

Machine Learning: Data preprocessing, classification, regression, model evaluation

Web Technologies: HTML, CSS, JavaScript, Node.js

Database Management: MySQL, MongoDB

Version Control: Git, GitHub

Projects

- Mini Bank System (Java):

Developed a simple banking application with account creation, deposit, withdrawal, and balance check functionalities. Implemented using Java and file handling for data storage.

- Data Classification using Machine Learning (Python):

Built a text classification model using Scikit-learn and NLTK. Involved data preprocessing, feature extraction, and evaluation using accuracy metrics.

- Web Scraping & Data Visualization:

Scraped real-time data using Python (BeautifulSoup) and visualized insights using Matplotlib and pandas.

Certifications

- Python for Data Science – Coursera
- Introduction to Machine Learning – Google AI
- Data Visualization with Python – IBM

Soft Skills

- Strong analytical and problem-solving ability
- Good communication and teamwork skills
- Continuous learner with adaptability to new technologies

Achievements

- Successfully completed several AI and ML mini-projects as part of coursework.
- Active participant in college-level coding competitions and hackathons.

Declaration

I hereby declare that the above information is true to the best of my knowledge and belief.

Place: Tirupati

Date: 04/10/2025
